

SOLICITATION

RE: DOOR TO DOOR SOLICITATION

Pasco County has an Ordinance known as the PASCO COUNTY SOLICITORS AND CHARITABLE SOLICITATION ORDINANCE. For your information, a synopsis of the Ordinance is as follows:

- The solicitor must apply for, pay for and prominently display on his/her person the solicitation permit.
- Should “no solicitors” or “no soliciting” signs be posted on the “property in an obvious and immediately visible place...any holder of a permit...shall honor such sign and not solicit the premises.”

The Board of Directors has posted in the center island entrance to Lone Star Ranch a NO SOLICITING sign in such a fashion as to satisfy the “obvious and immediately visible place” requirement of the Ordinance.

The Pasco Ordinance is enforced by the Pasco County Sheriff’s Department. When you see or encounter a solicitor in Lone Star Ranch, you should (a) ask the person if they saw the no soliciting sign at the entry, and ask them to leave immediately; or (b) call the Sheriff’s Department at 352-518-5000 and report the violation. Thank you.
