

LONG STAR RANCH

TOWING POLICY NOTICE DATE

Dear Homeowner(s):

There continues to be issues with parking vehicles on association owned common property. Parking on commonly owned association property creates an unsightly community and destroys the association owned property. The Board of Directors has authorized A-1 Recovery and Towing to remove any vehicles that are parked on association owned property. There will be signs posted that clearly identify the areas that are subject to towing. To be safe, assume that any parking outside of your property on any grounds may lead to your vehicle being towed. Towing is at the owner's expense.

This notice should be considered your final notification. Effective **March 17, 2021** A-1 Recovery and Towing has been instructed to remove any and all vehicles parked on association property.
