TOWNHOME RESIDENTS AT LONESTAR RANCH

Starting next Monday August 14th, weather permitting, we will begin the installation of your new Roofing System (lower roof**). The project will start at the main entrance buildings.**

- 1. Please make sure that all valuables in your home on the walls are taken down.**
- 2. If you are storing any breakables or anything of value in your attic you should remove these items.**
- 3. Bring in any items outside of your home that maybe be damaged or broken due to us working on the roof.**

We will make every effort to make this as easy as possible for you. If you have any
