

LONE STAR RANCH

HOMEOWNERS ASSOCIATION, INC.

Dear LSR HOA Members:

It is with great regret but necessary do to health reasons I submit my resignation as the President of the Lone Star Ranch Board of Directors effective at the close of our quarterly board meeting July 25, 2017. Two months ago I was diagnosed with metastatic melanoma of the lymph nodes of the neck and face and in May I underwent a nine hour surgery for the cancers removal. Having gone through recovery and regaining some strength since surgery, I will be starting infusion therapy next week which will require intravenous treatments every three weeks for the next year, possibly two. Because of the many know side effects of the aftercare treatment can cause, I feel I will no longer be able to effectively fulfill my board seat of our HOA.

Over the past four years I have appreciated and enjoyed the opportunity to serve our community as well as proud of the collective achievements both past and present boards have made in improving our community and I wish all future boards and its members the very best in maintaining our communities progress.

Sincerely,

Chuck Seymour
LSR HOA President
